The writing is absolutely awful. Feels like it was written by a 10-year old kid, during a lunch break. Totally kills any potential of this game. Not that the puzzles are anything special. Gonna have to ask for a refund for this, it doesn't deserve even the few euro it costs.. The writing is absolutely awful. Feels like it was written by a 10-year old kid, during a lunch break. Totally kills any potential of this game. Not that the puzzles are anything special. Gonna have to ask for a refund for this, it doesn't deserve even the few euro it costs.

Update : Room Corruption Fixed and Hand Only : - Only hands are displayed. - Breaches are more visible on rooftops. - Weapons are hold correctly on body. - Rooms don't get corrupted anymore..
